Past 25 years I have owned my own business for the past 7 years as an Independent Consultant and Branch Advisor with the Longaberger company. www.longaberger.com/bonniescott I worked at Ithaca College before that for 12 years as the Ensemble Music Coordinator. And for three years teaching voice and music at Elmira College some time before that! I still enjoy singing, reading, gardening and crafts of all sorts. I was a certified Feldenkrais practitioner in 1996-'00 after 4 years of Awareness Through Movement Training. Still married to Fred Scott after 21 years, with a 19 year old daughter Keri. Keri currently

lives at home and attends Elmira Business Institute studying Business Management and Accounting and working part-time. She is a talented singer and enjoys singing duets with Mom! Fred is a funeral director and owner of two funeral homes in the Montour Falls and Odessa areas. It was possible to finally move out of the funeral home when we purchased our dream house (1826 Victorian) in Odessa in late 1999. Shortly after the move Fred was diagnosed with Stomach cancer and successfully had it all removed surgically. Although life without a stomach is challenging, he is living proof of miracles, as he is working and living fully. Bonnie's Mom (June Kast) who many knew as the SHS attendance secretary died suddenly in June of 1998 on the way home from a vacation with Bonnie. Her Dad (Richard Kast) who many of you knew made the metal-cast necklaces for the Poland trip and one other subsequent trip for another SHS Choir, is doing well and still lives in Elmira 6 months and in Florida 6 months of the year!

Past 25 years: AFTER HIGH SCHOOL I ATTENDED COLLEGE AT SUNY @ ALFRED FOR TWO YEARS. HAD A BLAST THERE. AFTER GRADUATING FROM ALFRED I WORKED FOR A & P IN HORSEHEADS FOR ABOUT TWO YEARS IN THE ACCOUNTING DEPARTMENT. THEY CLOSED SO, I THEN BECAME EMPLOYED FOR BENDIX CORPORATION IN SIDNEY NY. MET MY HUSBAND THERE. STARTED HAVING BABIES IN 1984 AND WAS STILL HAVING BABIES IN 1996. DURING THE TIME OF RAISING THE FIRST TWO CHILDREN, I WENT TO WORK FOR THE US POSTAL SERVICE. MOVED FROM SIDNEY TO ELMIRA. HAD TO GET BACK TO THE BIG CITY. CONTINUED WORKING FOR THE POST OFFICE FOR TEN YEARS WHILE LIVING IN PINE CITY. IN 1996 WE DECIDED WE HAD ENOUGH OF WINTER & NYS TAXES, AND DECIDED TO MOVE OUT WEST. ARRIVED IN PHOENIX TWO WEEKS BEFORE CHRISTMAS 1996 TO THE PRESENT TIME. WE LOVE IT.

I SEVERED MY EMPLOYMENT WITH THE POST OFFICE SOON AFTER MOVING TO PHOENIX AND BELIEVE IT OR NOT, I DIDN'T WORK FOR A YEAR AND A HALF. WHAT A TREAT. BUT ALL GOOD THINGS COME TO AN END. I ENTERED BACK INTO THE WORK FORCE BY BECOMING A REAL ESTATE AGENT. LOTS OF FUN, BUT TOO MUCH TIME SPENT FOR THE MONEY AND NOT SUCH A GREAT OCCUPATION FOR ONE WITH EXTREMELY DEMANDING CHILDREN! SO THEN I MOVED ON TO AN ACCOUNTING POSITION FOR A CHAIN OF MOTORSPORTS RETAIL STORES. THAT WAS FUN, BUT DIDN'T LIKE WORKING FULL TIME. NOW I AM WORKING FOR MYSELF DOING BOOKKEEPING FOR SMALL BUSINESS AS WELL AS WORKING AS AN ASSISTANT TO A CERTIFIED FINANCIAL PLANNER. LEARNING MUCH ABOUT INVESTING AND GETTING OPPORTUNITIES TO TRAVEL AND MEET PROFESSIONAL ATHLETES. OH TO BE 20 AGAIN! MY HUSBAND AND I ALSO OWN AND OPERATE A POOL SERVICE BUSINESS. WE ARE BUSY BUSY. MY YOUNGEST DAUGHTER ENTERS KINDERGARTEN THIS YEAR AND MY OLDEST GRADUATES. NOT A LOT OF FAMILY PLANNING INVOLVED IN THIS FAMILY. BUT EVERYONE IS HEALTHY AND HAPPY AND WE THANK GOD FOR THAT.

Plans to come: YES, I HAVE MY FLIGHT PLANS ALL MADE. CAN'T WAIT

Comments: I HOPE WE HAVE A GREAT TURNOUT. THANK YOU TO THE GROUP OF YOU WHO VOLUNTEERED TO PLAN THIS. IF THERE IS ANYTHING I CAN DO FROM WAY OUT HERE, LET ME KNOW.

Past 25 years: Well, since the last time I filled one of these out.. I've become a nationally certified NRA shooting instructor and range director. I'm a wilderness first responder, aiming for finishing the wilderness EMT course this winter, and hopefully landing myself on a rescue team by summer. I'm still guiding whitewater river trips professionally on the Nantahala River. I am going into my 7th year as ecology/conservation director for the largest of the three Atlanta Area Council Boy Scout camps, and we have the second largest ecology program currently running in the nation (we run approximately 3000 campers through in seven weeks each summer). I'm a National Camping School director for the Boy Scouts for Ecology/ conservation (which means I train other ecology directors from across the country). The highlight of my year this year (aside from my youngest graduating from high school and skipping his own graduation)was finally getting a permit to handle birds of prey f! or educational display, and handling and training a red tailed hawk. It's been an awesome experience. This was also the first year I've been able to handle venomous snakes. I'm hoping to be working with bears and large cats by spring. I spend from mid-May to mid August living in the woods and camp two to three weekends a month when it's not summer. Favorite hobbies include canoeing, climbing, hiking, shooting, and bead working. I'm a Scoutmaster of a Boy Scout troop, and we're looking forward to canoeing the Okeefenokee this coming March. (For those who are hip to Boy Scout culture, I'm currently serving in my third year as the lodge advisor for program for Egwa Tawa Dee #129, and serving for the second time as the NOAC contingent adviser. Anyone want to trade lodge flaps?) The kids are in grown-up world now. Polly is living on her own and working in a book store. She's taking night classes at Georgia Perimeter College for computers and photography. She's engaged to Daniel, whom she's been dating for the last three years. Mike is also at perimeter full time on a full HOPE Scholarship, majoring in computer science and accounting. Right now he's living at home but he'll be transferring to UGA Athens next fall.
